NETWORKING & JOB FAIR TIPS

- Prepare a short introduction. Include your name, major, skills, and area of interest.
- Focus! Concentrate on the list you prepped; start at the top and work your way down.
- Demonstrate professionalism. Be patient and polite; you will likely have to wait to speak with a recruiter.
- Use your time well. Practice good time management (allocate your time wisely) and create realistic goals.
- Next steps. After speaking with a recruiter, ask them about the next steps (this includes getting their business card). Will they be conducting on campus interviews? Should you apply for the position(s) online or by email?
- Take notes. Jot down notes about the conversation.
- Follow up. Send a thank you note or e-mail to each recruiter you met with. Express your appreciation of their time, interest in the organization/position and let them know you are available for any questions.
- Engage in next steps. Apply online, sign-up for on campus interviews, e-mail materials and/or follow the recommendations the recruiter offered during your conversation

ARE YOU READY FOR THE SUMMER JOB OF A LIFETIME!?

We're looking for outgoing, adventurous
and energetic individuals to join our team

A SUMMER LIKE NO OTHER

There's nothing quite like summer days on the river. We may be a little biased—but it's kind of the dream.

WORK HARD, PLAY HARDER

This is jet boating, after all. We're serious about safety—but not much else. Having fun is mandatory here.

EMBRACE ADVENTURE

No two days at Whirlpool Jet are alike, and that's part of the fun. We think on our feet and work as a team. "Boring" is not in our vocabulary.

MAKE SOMEONE'S DAY

We're in the business of creating unforgettable memories—there's nothing better than being the highlight of a family's vacation

FOREVER FRIENDSHIPS

Our staff becomes a tight-knit group of friends, not just co-workers. We don't call ourselves the 'Jet Boat Family' for nothing.
